ADMINISTRATION

NEW: Redesigned Back Office

The ClearGov back office tool has been redesigned to provide a refreshed, modern UI and an improved user experience across all applications.

- This update features all of the applications on the left-hand navigation, a recently viewed section, and even a new help center for support.

ADMINISTRATION *CONTINUED*

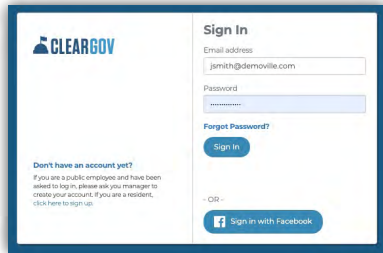

NEW: Help Center

We're here to help. Access a whole suite of resources to help you get the most from your ClearGov experience. Click on any section and you'll be connected to our Help Center automatically.

- **Getting Started:** Get to know ClearGov, the onboarding process and who to contact for training and support.
- **Using ClearGov:** Learn how to use applications, customize your Transparency Center and manage users.
- **Best Practices:** Get the most out of ClearGov by applying best practices in the areas of transparency, civic engagement and budgeting.
- **Product Release Notes:** Keep up to date on the latest features and functionality by reading the release notes.
- **Requests & Discussion:** Submit your ideas for product enhancements and connect with leaders like yourself to discuss trending topics.
- **FAQs:** Search and find answers to the most common questions.

'Sign In' and 'Sign Up' Pages

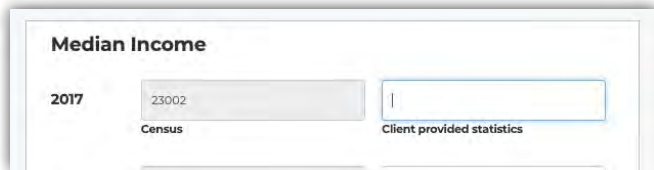

The 'Sign In' page has been redesigned with a fresh look. This landing page can be bookmarked to make it easy to return to your ClearGov account.

A screenshot of the ClearGov 'Sign In' page. It features the ClearGov logo on the left. On the right, there is a 'Sign In' section with an 'Email address' field containing 'j.smith@demoville.com', a 'Password' field, a 'Forgot Password?' link, a 'Sign In' button, and a 'Sign in with Facebook' button. Below the 'Sign In' section, there is a 'Don't have an account yet?' section with a link to 'Sign up'.

TRANSPARENCY

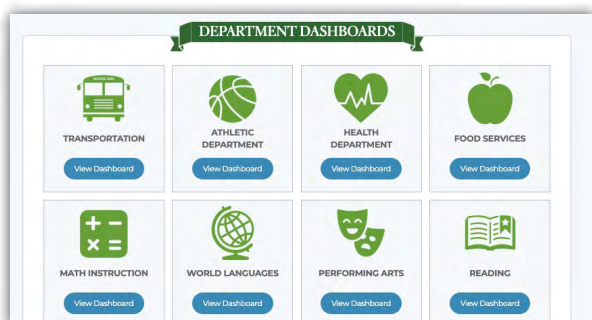

NEW: Demographics Application

The new Demographics application allows you to view and edit your demographics figures. You will see census data in one box with an editable box next to it for client provided statistics. You can add figures to this box which would override the census data.

A screenshot of a 'Median Income' comparison box. It shows the year '2017' and two input fields. The first field, labeled 'Census', contains the value '23002'. The second field, labeled 'Client provided statistics', is empty. The box has a light blue border and a white background.

NEW: Department Dashboards (for School Districts)

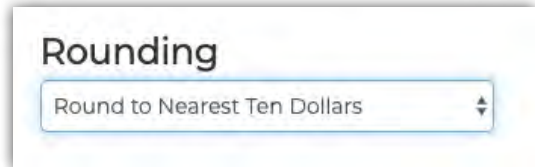

The Department Dashboards module is now available for school districts. Showcase department performance metrics and other highlights within your school district via unique dashboards in your transparency profile.

A screenshot of the 'DEPARTMENT DASHBOARDS' section. It features a grid of eight dashboard icons, each with a 'View Dashboard' button. The icons represent: Transportation (bus), Athletic Department (basketball), Health Department (heart with pulse line), Food Services (apple), Math Instruction (plus and minus signs), World Languages (globe), Performing Arts (masks), and Reading (book).

BUDGETS

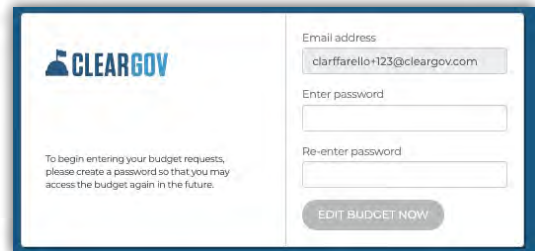

NEW: Rounding in Report Builder

You can now export to the nearest \$1, \$10 or \$100 increment - the default will always be to

A screenshot of a 'Rounding' dropdown menu. The menu is open, showing the option 'Round to Nearest Ten Dollars' selected. The dropdown has a light blue border and a white background.

'Create Password' Modal (for editing budget)

When a user is added to edit the budget they will see a redesigned account creation page.

A screenshot of the 'Create Password' modal. It features the ClearGov logo on the left. On the right, there is a form with an 'Email address' field containing 'clarffarello+123@cleargov.com', an 'Enter password' field, and a 'Re-enter password' field. Below the fields is an 'EDIT BUDGET NOW' button. A message on the left states: 'To begin entering your budget requests, please create a password so that you may access the budget again in the future.'

Customize Display

When you click 'customize display' within a budget you will be able to select any saved version in a previous default budget.

A screenshot of a 'Customize Display' button. The button is rectangular with a black border and a white background. It features a gear icon on the left and the text 'Customize Display' on the right.
